Terms & Conditions:

1. Prices are exclusive of applicable Government levies and taxes.
2. Delivery of the service will be through APIs to be consumed by you in your application / Website or through totalkyc.com, kscan.in
3. One-time fees are towards initial API integration support and set-up of Branch and User Masters and are lump-sum charges for the entire Organization.
4. "per request" means every unique request is called through the API. Charges will be levied only for requests with a successful response. Successful response means responses with status "200 OK" from the APIs irrespective whether a document was valid or invalid or whether records existed in the corresponding database or not.
5. There are no charges levied for API calls failing due to source's downtime or internal server errors.
6. Prepaid amount will be refilled once it falls below Rs.10,000.
7. Pricing is valid for 1 month from the date of the proposal.
